

RAUMATI BEACH SCHOOL

18 March 2010

Dear Parents and Caregivers

REMINDER - FUTURE FERNS NETBALL TRIALS

Future Ferns netball trials will take place next Tuesday and Wednesday at lunch time. Can all girls please be wearing running shoes. Meet Miss McDonald and Rowane Lyver on the front court at 1pm. Please eat your lunch before coming to trails.

Future Ferns netball works on a rotation. Each game has two halves which last for 15 minutes. At half time the coach must rotate the team with the GK leaving the court and the GS being a new player. Each girl will be expected to play all positions with two girls being off the court at any time. Some girls may only get half a game, but the coach will ensure this is a fair process and this will not happen too often. We will only place 9 girls in each team, so that girls get a fair amount of time on the court. The 'A' team will consist of girls who have played together before and are in Year 4.

The 'B' team will be made up of Year 4 girls who have not played before or who require a little more foot work, ball skill work etc. The 'C' team will consist of Year 3 girls who have just started playing or who have attended a workshop in Yr 2.

Thank you

Miss McDonald
