**School will close at 2.00pm for all students on Tuesday 22<sup>nd</sup> June 2010**

We are now using an online booking system that allows parents and caregivers to make appointments themselves. The booking system will be available for you to make appointments from Friday 4<sup>th</sup> June, bookings will close at 3.00 pm Monday 18<sup>th</sup> June. To access the online system go to the following web page <http://www.schoolinterviews.co.nz/> and enter our school code **VGULB** or click on the link via our school website <http://www.raumatibeach.school.nz> and follow the instructions.

The purpose of these interviews is to provide you with an opportunity to be informed about the academic progress and general welfare of your child/ren. Teachers will provide an overview of your child's progress, information on "the next steps", and current achievement data in the main curriculum areas. There will also be an opportunity to ask questions, look at children's work and share any other relevant information. The interview will also compliment National Standards Progress Reports which will be issued the week prior.

The duration of the interviews will be ten minutes, and a bell will ring to indicate the **commencement** of each interview time. Your cooperation in adhering to your interview time will be greatly appreciated by both the Classroom Teachers and those still waiting for their interviews.

If your child is in Mr Henderson's extension maths class (Year 7 & 8 only) or Denise Sykes Language Lab interview times will be available too.

If you feel there is information which was not covered in the time available, you are welcome to arrange an appointment with the Classroom Teacher at a convenient time.

Thank you.
