

RAUMATI BEACH SCHOOL

30 August 2010

Dear Parents and Caregivers

ENVIRO GROUP VISIT TO LEACROFT NURSERIES

Thank you for your offer to assist with transportation on our Enviro Group trip this week!

We are asking all parents who are able to drive to Leacroft Nurseries to meet at school on Wednesday 1st September, in the Learning Street, at 12:20pm.

The Enviro Group students will have an early lunch, and then get into their transport groups. We will aim to depart school around 12:30pm. Instructions and a map will be provided.

We will visit the nursery for about an hour and then head back to school for a 3pm dismissal. We would greatly appreciate your assistance with supervision at the nursery!

Thank you,

Tara Macpherson & Lauren Chappell
